100% Better

I came into Cove Freedom Chiropractic in terrible pain and just 5 months of treatment I am 100% better. I was told previously by another doctor that a chiropractor wouldn't be able to help me. He was wrong and I highly recommend going to see your local chiropractor.

Sincerely

A handwritten signature in black ink, appearing to read "Donna Mehringer". The signature is written in a cursive style with a large initial "D" and a distinct "Mehring" ending.
